## **Two-time Newbery Honor-winning author Patricia Reilly Giff offers readers a hilarious new middle-grade novel.**

New York, NY—*New York Times* and *Publishers Weekly* best-selling author Patricia Reilly Giff offers readers an uproarious novel filled with hilarious characters in her newest middle-grade adventure, **HUNTER MORAN SAVES THE UNIVERSE**.

Twins Hunter and Zack have a small problem to solve: they must save their town from a diabolical dentist who is planning to blow it to smithereens. But first they have to hold a funeral for an incriminating report card before it breaks their mother's heart, hide a cello that has been demolished, and keep their father from finding out what they did to his laptop. None of this is going to be easy with their busybody older sister, Linny, watching their every move; older brother, William, just waiting to get them in trouble; five-year-old brother, Steadson, tailing them; and baby Mary banging her spoon so much that no one can think.

This irresistible novel, filled with comical characters, lots of mischief, and plenty of heart, will have readers cheering for this dynamic duo and have fans begging for more.

**PATRICIA REILLY GIFF** is the author of many highly acclaimed books for children, including *Lily's Crossing*, a Newbery Honor Book and *Boston Globe-Horn Book* Honor Book; *Pictures of Hollis Woods*, a Newbery Honor Book; and *Nory Ryan's Song*, an ALA Notable Children's Book, an ALA Best Book for Young Adults, a *School Library Journal* Best Book of the Year, and a Golden Kite Honor Book.
