Midnight Memory Game!

Can you remember everything you see before bed?

With an adult's help, cut out the squares, shuffle them, and lay them out upside down in 3 rows of 4.

Find a friend to be your partner!

On your turn, turn over any 2 cards. If they match, keep them! If they don't match, turn them back over and let your friend have a chance. Try to remember where each one landed and find the matching cards! **The player with the most matches wins the game!**
