LOOK AND FIND! Find the 10 differences in these two pictures of Bob riding a Troblom.

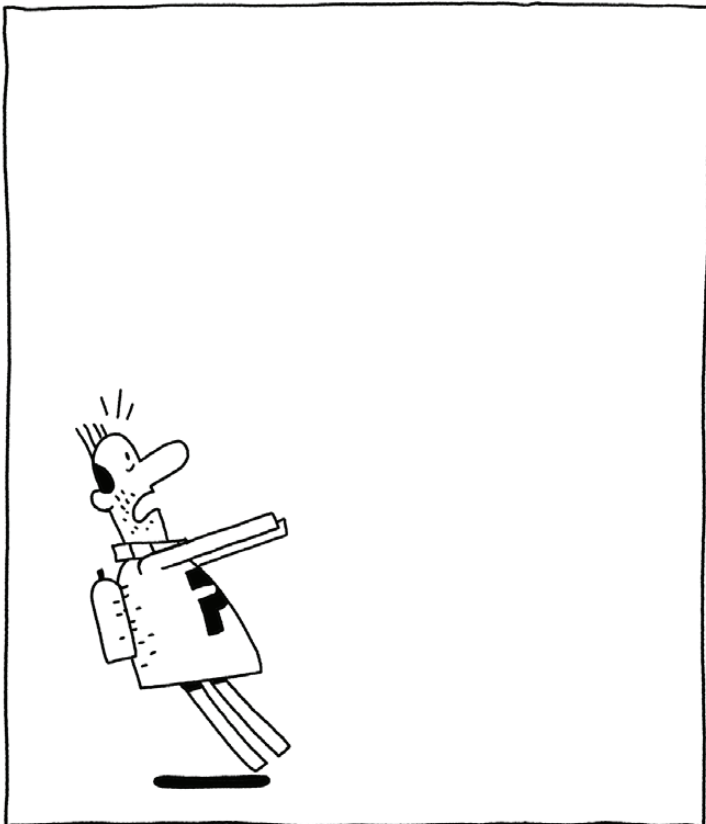

DELIVERY! Bob has 4 tricky things to deliver. Draw the object or the thing in Bob's arms.

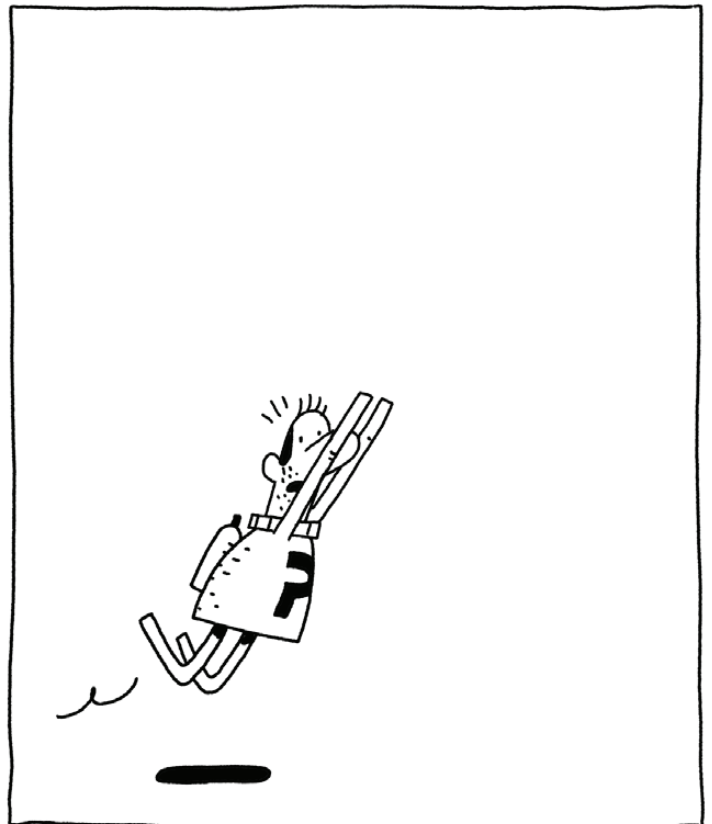

Aaargh! This weighs a ton!

This stinks!

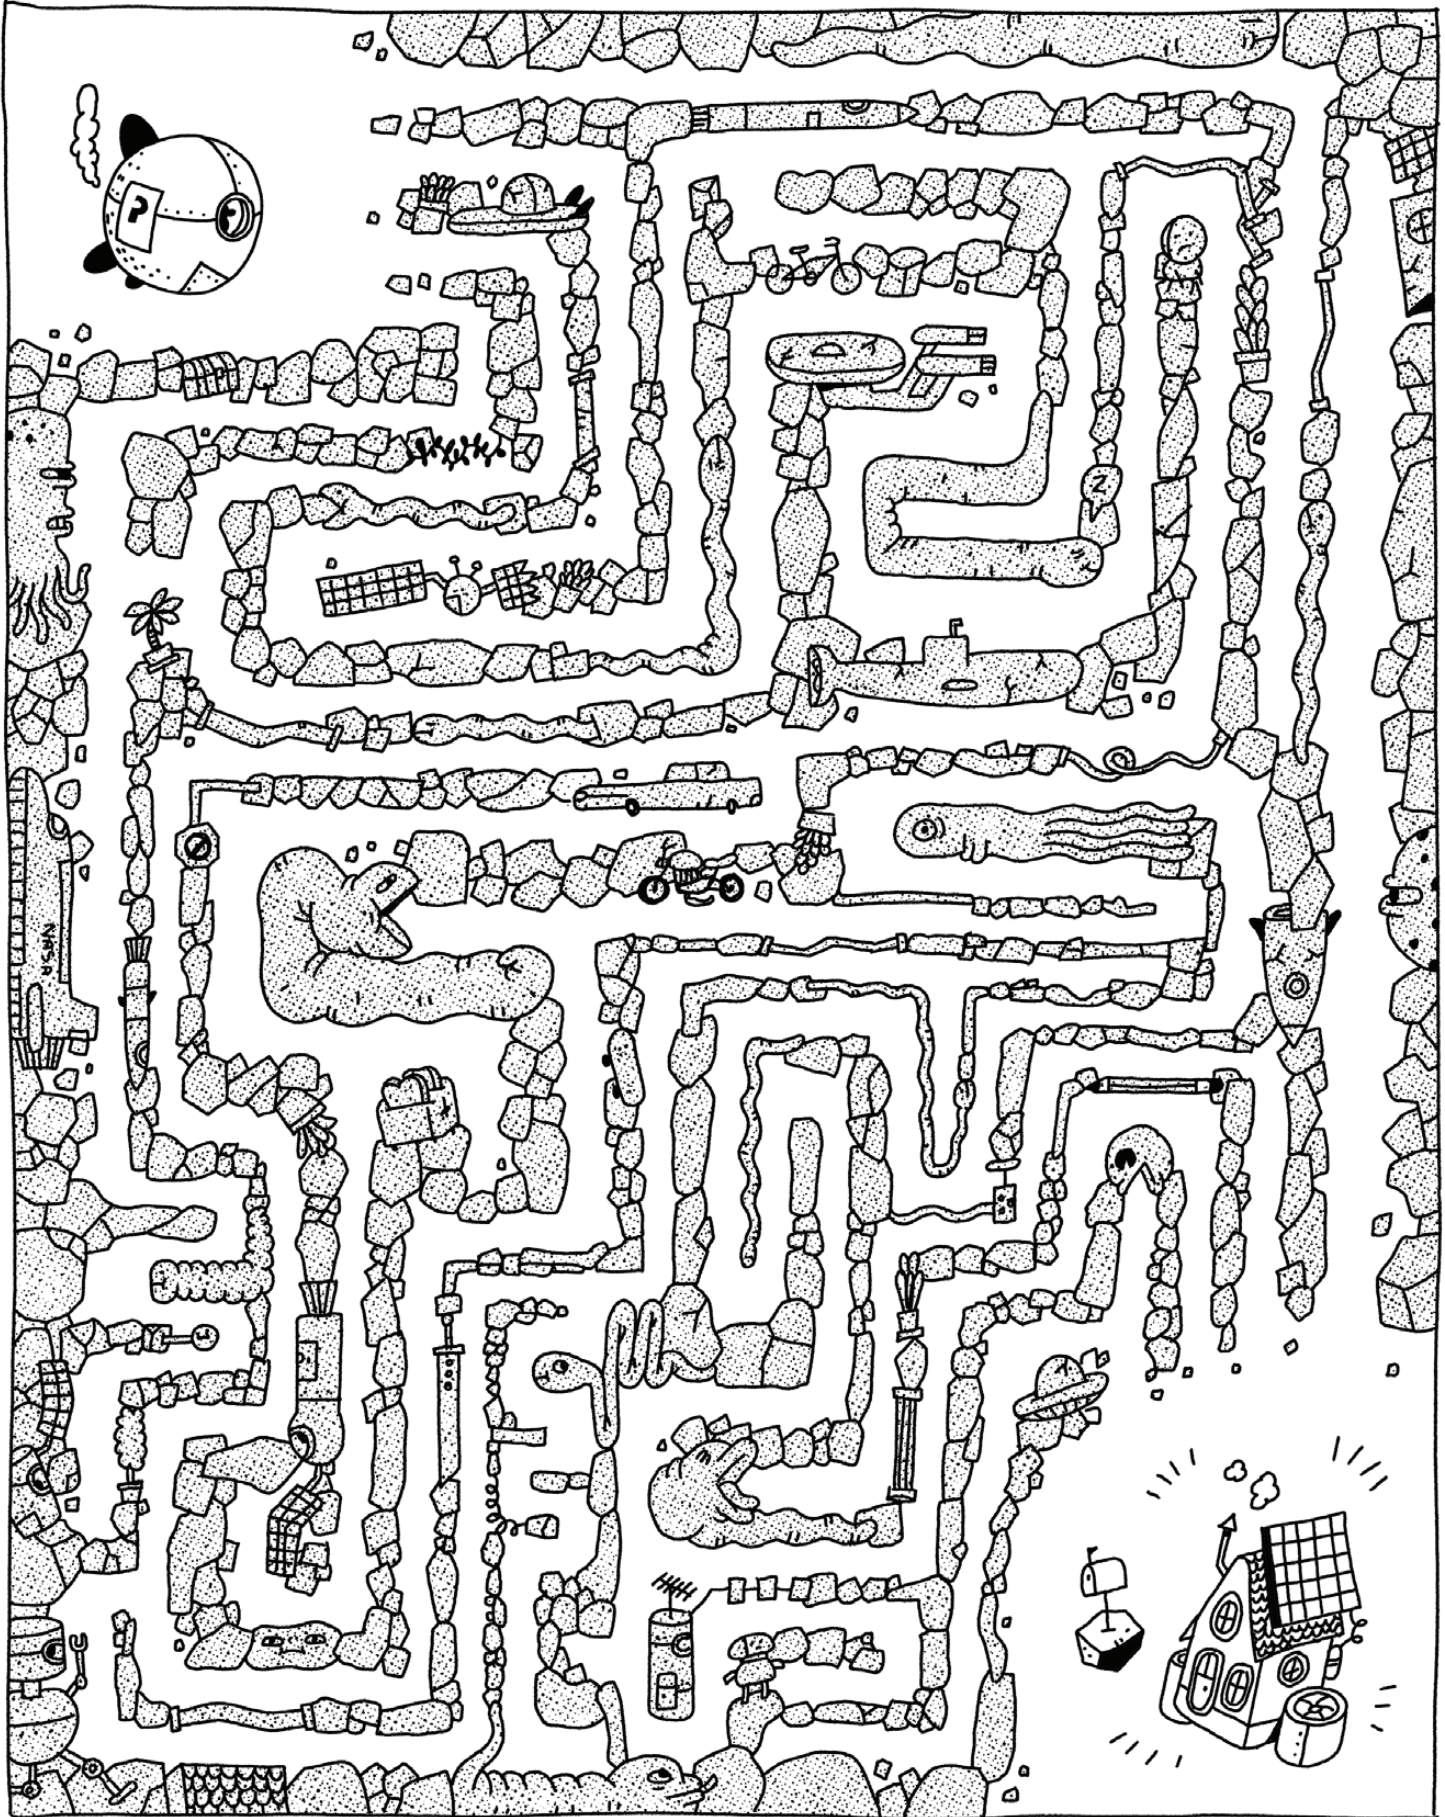

Oh no!

But, hey...this is flying?

MAZE! Help Bob make his delivery. Pay attention to debris and to space worms. They are hungry!

LIFT OFF! Bob dreams of a new spaceship. Make him happy and give him the GREATEST ship in the galaxy.

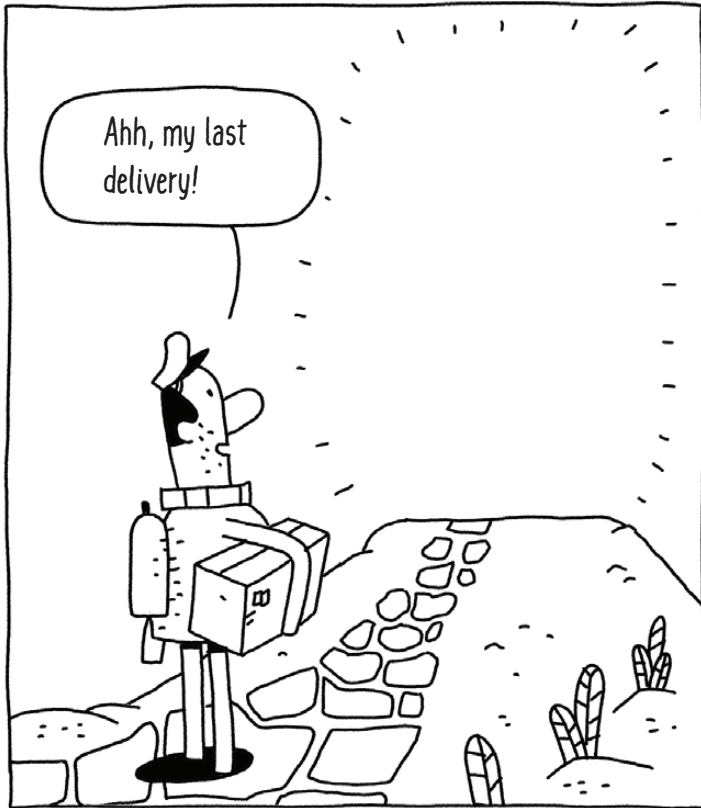

Like I've always dreamed of!

YOUR TURN!

Bob's delivery isn't going well. Help tell his story.

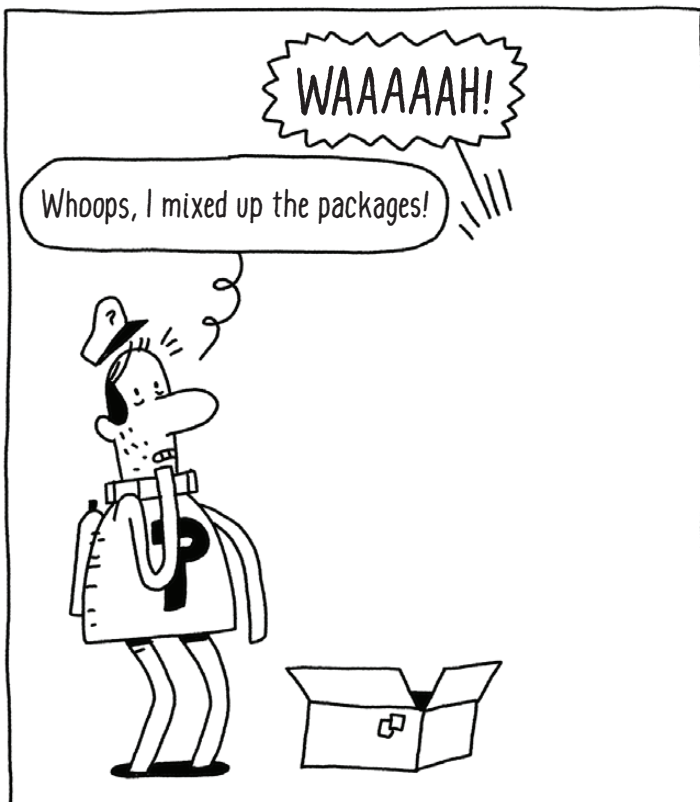

Draw the recipient's house at the end of the path.

Name and draw the recipient!

Uh oh, someone isn't happy with the delivery!
Draw what's in the package that makes them mad.

The recipient is so upset that he throws whatever thing you want at Bob. (Don't worry, Bob is very tough).
