

Follow the Mouse Tracks

Milo is less than excited to be told to go outside and play, until he finds a trail!

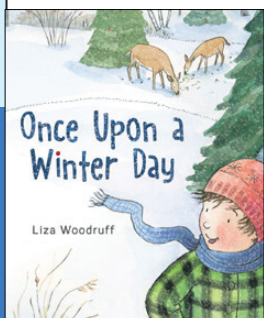

Connect the trail of mouse tracks, and see where it leads.

Clues Walk!

Animals leave clues about who they are and where they live.

Go on a walk outside and look for clues that give you information about the animals that live near you.

1. Look for footprints.
2. Look for feathers.
3. Look for holes in the ground.
(Don't stick your hand inside!)
4. Look up into the trees.

- Draw or write all of the animal clues you can find in your neighborhood.
- What type of animal do you think they belong to?
