HEAD CHEF

Make your own chef hat! Make sure to have an adult help you.

MATERIALS

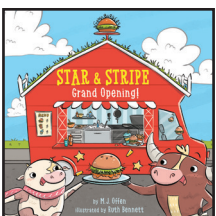

- White card stock
- Stapler
- Ruler
- Tape
- Scissors or paper cutter
- White tissue paper

INSTRUCTIONS

1. Cut 2 pieces of card stock, lengthwise, into strips 3 inches wide.
2. Staple the strips together to form one long strip of paper. The strip of paper should be long enough to fit around your head.
3. Decorate the long strip of paper if you like.
4. Take a sheet of tissue paper and slowly bunch it along the top edge of the card stock, taping it to the strip as you go.
5. When you get to the end of your first piece of tissue paper, bend the long strip of card stock into a circle. Staple the ends together at the top and bottom.
6. Continue to bunch up the tissue paper, taping it to the inside of the card stock circle until you have made it all the way around.
7. Affix a few pieces of tape inside the hat to hold any gaps in the tissue paper together.
8. Wear and enjoy your chef hat!

Now you're ready to be a chef with Star and Stripe!
