WHAT'S INCLUDED:

- Friends `til the End
- Sharing Is Caring
- Sweet, Sweet Memories
- Help a Friend in Need!

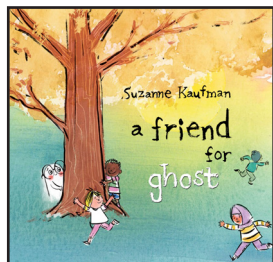

For Ghost, it can be pretty hard to make new friends. Some people are frightened, others don't understand, and most don't seem to realize Ghost is even there.

One day when a bright red balloon wanders Ghost's way, the connection is instantaneous. Together they do everything Ghost had ever hoped to share with a friend, but balloons rarely stick around for long. That's when Ghost learns that when you're looking for a friend, a friend might find you.

SWEET, SWEET MEMORIES

Treasure the memories you've made with your new friend. Have a grown-up help you print out your pictures and put them into a homemade scrapbook!

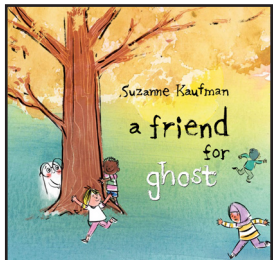

YOU WILL NEED:

- Construction paper (2-4 sheets, depending on how many pictures you have)
- A stapler
- Scissors
- Glue
- Your coloring utensils of choice

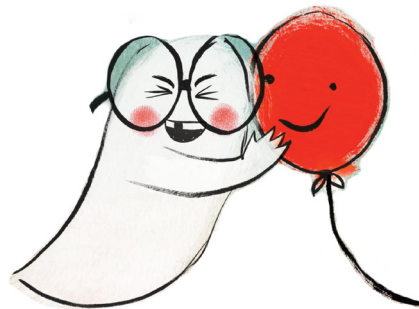

DIRECTIONS:

Ask a grown-up for help with scissors, the stapler, and glue!

1. Create your scrapbook. Take the construction paper and fold it in half, hamburger style. Do this to every sheet of construction paper you plan on using.
2. Have a grown-up staple the sheets of construction paper together along the folded lines.
3. Print out the pictures you took with your new friend. You can print them from your home or at your local library or print shop (CVS, Walgreens, Staples, etc.).
4. Have a grown-up cut out the pictures and help you to glue one picture onto each page of the scrapbook.
5. Decorate your scrapbook! Add color to the pages, write captions beneath the pictures, get creative!
