

Serious FUN!

Work & Play
with
Charles & Ray
Eames

by
Christy Hale

A winning celebration of a power couple's versatility, innovation, and collaborative spirit. —*Kirkus Reviews*

Deep insights into the creative process.
—*School Library Journal*

Are you a maker? Want to learn how to make BETTER things, with even more FUN?

For an engaging program and hands-on-workshops, write christy@christyhale.com.

Do you or your students love making stuff? Read **SERIOUS FUN** to take that love to the next level! This biography celebrates iconic design duo Charles and Ray Eames, who used the principles of fun to become amazing artists and inventors! Work and play merged in their collaborations on furniture design, architecture, textiles, photography, film, and even toys!

Learn more and find inspiration in **SERIOUS FUN**, a book “as streamlined, inviting, and balanced as the Eameses’ famous designs.” —*Kirkus Reviews*
